

**The vision is to create Life groups in members home or at the church, where men and women can receive care and encouragement to live a lifestyle of prayer, biblical study, and share their faith as they encounter God's presence.**

### What is a Life Group?

A group of people that meet regularly in the homes of members of Parklawn Assembly of God. These groups share in times of fellowship, prayer, biblical life discussion and engage in service projects through the year.

### Who should join a Life Group?

Every member and potential member of Parklawn Assembly of God as well as others you're reaching for Christ.

### Why go to a Life Group?

1. To pray, fellowship, build relationships, invite people who need to encounter the presence of Jesus.
2. To grow in faith in the context of caring community.
3. It is part of the vision of Parklawn to bring Life by fulfilling the great commission (to go into all the world and make disciples).
